The International Office will inform you of the progress of your application.

Preparing your arrival

Health insurance – Health care

Quebec students: A two-way agreement has been drawn up regarding health insurance. When you arrive, you must show the SE-401-Q-106 form, filled out and signed.

If you don't, you will have to pay an annual subscription to a student Sécurité Sociale (for 2015-2016, the cost was 215€)

You will also have to bring a certificate of civil liability insurance.

At last, we recommend you obtain a health insurance that covers medical expenses – hospitalisation – repatriation.

Upon arrival in France

As soon as you arrive, and whatever your subject area, you must go to the:

- International Office, in Pau,
- Registrar's office, in Bayonne - Mont-de-Marsan - Tarbes

You will then meet with your tutor at UPPA and complete your administrative and course enrolments.
