Mobility as part of an exchange programme

European programmes of mobility (testimonies) | 🇪🇺

- Going on a mobility period as part of an exchange programme offers many advantages...
 - ... institutionalised links between your home university and UPPA,
 - ... privileged relations between the teachers at your university and the teachers from Pau,
 - ... waiving of UPPA's enrolment fees, for most of the programmes.
- There are four main types of programme at UPPA:
 - [Erasmus+](#) (between universities in Europe + Turkey and UPPA).
 - [BCI](#) (between universities in Quebec and UPPA).
 - [Inter-university collaboration agreement](#) (worldwide).
 - [Double degree](#).
