STAFF WEEK PROGRAMME

VISION

Virtual Reality and AI
for Staff InnovatiON

2–6 November 2026

Turin

Monday, 2 November

Auditorium Quazza, Palazzo Nuovo (Floor -1)

14.30 –18.30 | Registration, Welcome and Opening Session

- Registration of participants
- Institutional greetings
- Presentation of the Staff Week programme

Tuesday, 3 November

Lab (3D Modelling; AI Interaction): Department of Philosophy and Education Sciences Library, Palazzo Nuovo (Rooms 1 & 2, Floor -1)

Seminar: Auditorium Quazza, Palazzo Nuovo (Floor -1)

9.00 – 11.00 | Parallel Sessions

Group A | 3D Modelling Lab

Giorgio Borla, with Elisa Caldarola, University of Turin

Group B | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

Group C | Seminar: Ethics of Artificial Intelligence

Barbara Bruschi, University of Turin

11.00 – 11.15 | Coffee Break

11.15 – 13.15 | Parallel Sessions

Group A | Seminar: Ethics of Artificial Intelligence

Barbara Bruschi, University of Turin

Group B | 3D Modelling Lab

Giorgio Borla, with Elisa Caldarola, University of Turin

Group C | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

14.30 – 16.30 | Parallel Sessions

Group A | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

Group B | Seminar: Ethics of Artificial Intelligence

Barbara Bruschi, University of Turin

Group C | 3D Modelling Lab & Extended Reality

Giorgio Borla with Simona Stano and Gianmarco Thierry Giuliana, University of Turin

17.00 – 20.00 | Social Programme

Visit to the **Egyptian Museum** followed by the **Social Dinner**

Wednesday, 4 November

Lab (3D Modelling; AI Interaction): Department of Philosophy and Education Sciences Library, Palazzo Nuovo (Rooms 1 & 2, Floor -1)

Seminar: Auditorium Quazza, Palazzo Nuovo (Floor -1)

9.00 – 11.00 | Parallel Sessions

Group A | 3D Modelling Lab

Giorgio Borla, University of Turin

Group B | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

Group C | Seminar: Artificial Intelligence Regulation and Institutional Strategies

Michele Ricciardo Calderaro with Fabio Forneron, University of Turin

11.00 – 11.15 | Coffee Break

11.15 – 13.15 | Parallel Sessions

Group A | Seminar: Artificial Intelligence Regulation and Institutional Strategies

Michele Ricciardo Calderaro with Fabio Forneron, University of Turin

Group B | 3D Modelling Lab

Giorgio Borla, University of Turin

Group C | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

14.30 – 16.30 | Parallel Sessions

Group A | AI Interaction Lab

Antonio Falco, Emanuela Guarcello with Gabriele Marino, University of Turin

Group B | Seminar: Artificial Intelligence Regulation and Institutional Strategies

Michele Ricciardo Calderaro with Fabio Forneron, University of Turin

Group C | 3D Modelling Lab

Giorgio Borla University of Turin

17.00 – 19.00 | Cultural visit

Visit to the **Cesare Lombroso Museum** and the Fruit Museum

Thursday, 5 November

Lab (3D Modelling; AI Interaction): Department of Philosophy and Education Sciences Library, Palazzo Nuovo (Rooms 1 & 2, Floor -1)

Seminar: Auditorium Quazza, Palazzo Nuovo (Floor -1)

9.00 – 11.00 | Parallel Sessions

Group A | 3D Modelling Lab

Giorgio Borla, University of Turin

Group B | AI Interaction Lab

Antonio Falco, Emanuela Guarcello, University of Turin

Group C | Seminar: Intercomprehension and Multilingual Communication

Fabiola Camandona, with Elisa Corino and Sandra Garbarino, University of Turin

11.00 – 11.15 | Coffee Break

11.15 – 13.15 | Parallel Sessions

Group A | Seminar: Intercomprehension and Multilingual Communication

Fabiola Camandona, with Elisa Corino and Sandra Garbarino, University of Turin

Group B | 3D Modelling Lab

Giorgio Borla, University of Turin

Group C | AI Interaction Lab

Antonio Falco, Emanuela Guarcello, University of Turin

14.30 – 16.30 | Parallel Sessions

Group A | AI Interaction Lab

Antonio Falco, Emanuela Guarcello, University of Turin

Group B | Seminar: Intercomprehension and Multilingual Communication

Fabiola Camandona, with Elisa Corino and Sandra Garbarino, University of Turin

Group C | 3D Modelling Lab

Giorgio Borla, University of Turin

17.00 – 19.00 | Guided City Tour

Guided visit of Turin city centre with the **Erasmus Student Network (ESN Torino)**

Friday, 6 November

Teaching and Learning Centre, Sala Blu, Rectorate

9.00 – 12.00 | Teaching and Learning Centre Workshop

Topics

- The role of Teaching and Learning Centres
- The Italian Teaching and Learning Centre Network (CRUI) and national developments
- Sharing resources and building a common model for Teaching and Learning Centres
- Recognising and enhancing the contribution of academic staff, professional staff and students within Teaching and Learning Centres
- Exchange of experiences among participating universities

Format

- Introductory presentation
- Interactive group activities facilitated by the Teaching and Learning Centre team (Mentimeter and collaborative exercises)

11.15 – 13.15 | Round Table and Closing Session

- Round Table on Technological Innovation in Higher Education (tbc)
- Closing Remarks
- Farewell to participants

13.15 | Networking Aperilunch
