Non-EU students

Pre-enrolment procedures

If you are a non-EU foreign student and you are already enrolled in a French university, the following procedures do not apply to you.

These procedures only apply to non-EU students enrolling for the first time at the UPPA.

Students already enrolled in another French university who want to study at UPPA must go to the registrar’s office of the faculty or school in which they would like to get enrolled in order to fill out the enrolment file corresponding to their situation (i.e.: the Validation des Etudes Universitaires file).

* All students who are enrolling for the first time on a Bachelor’s or Master’s degree course in a French university must pass a French language test and include in their pre-enrolment dossier the results of one of the following tests: DELF B2, DALF C1, DALF C2 or TCF (at least level B2).
* Students wishing to enrol in a DAP first year degree (green file), will have to take the TCF-DAP test unless they already have a valid TCF-DAP or a DELF B2, a DALF C1 or a DALF C2. The TCF does not exempt you to take the TCF-DAP test.

The following students are not obliged to take a French language test

* Students from states where French is the only official language (Benin, Burkina Faso, Congo, Ivory Coast, Gabon, Guinea, Conakry, Mali, Niger, DR Congo, Senegal and Togo).
* Students with a Bachelor’s in Foreign Languages, Literature and Cultures (LLCE) specialized in the French language.
* Applicants with a DUEF (French Studies University Diploma) B2, C1 or C2, awarded by the IEFE or by another French University.

Students from countries in which French is not the only official language (Burundi, Cameroon, Canada, Central Africa, Comoros, Djibouti, Haiti, Madagascar, Mauritania, Rwanda, Chad) must prove that all their secondary and university education was given in French in order to be exempt from taking the French language test (certificate and/or documents proving education in French to be included in the dossier).

You can get more information at the Lifelong Learning service of the UPPA in order to know what the cost of your studies will be.
